[Gold King Mine Deployment Guide September 05 2015.doc](#)

Great News, Thank you Gina

The region handles the TA – I believe your travel people have the appropriate account numbers. There are no block of rooms reserved. There are couple hotels in the Deployment Guide which is attached. Presently, most of the ICP staff are staying at the Holiday Inn Hotel and Suites. I is right across the street and up about a half block from the ICP which is located at 135 Burnett Drive, Durango, CO (a map is in the guide) The dates for the rotation are as follows:

Travel Day: Sunday, 9/13/15

Check-in: 0700, Monday, 9/14/15

Demob: COB Monday, 9/28/15 (last day of work)

Travel Day: Tuesday, 9/29/15

Hi again Greg,

R8 can fill this request for toxicologist support on GKM. Dan Wall will report for duty on Sept 14th for two weeks.

Questions for you-is incident command handling travel or should we do his TA? Is there a block of hotels rooms to use or is that up to us to secure? Last, could you verify his reporting location (I can't recall if the command post moved)?

Many thanks!! Gina

Yet again, please let me or Gina know as expeditiously as possible if someone from the region is available. I think we have a vested interest in staffing this position if at all possible. Thanks, lw

Order # O-GKM-120

This is a request for a Toxicologist to deploy to the Gold King Mine ICP. The individual will need to check-in at the Durango ICP at 0700 on September 14th.

This is a two week deployment ending September 28th.

This position will not conduct field activities.

Please respond in the negative or with a name and their availability by COB Friday, September 9, 2015.

Thanks in advance for your consideration,

Greg H. Crable
